# 24<sup>th</sup> Calhoun HERD Program – Report 4

---

April 1, 2024

To: Calhoun HERD Program Consignors & Other Interested Parties

From:  Jason Duggin, Extension Beef Specialist

The heifers look great overall and have been gaining well. The conception to AI according to the blood test was 53%. As the weather continues to warm, the heifers will shed off and really start to shine.

**\*We need to be notified by Friday, April 21 if you are planning to change the sale designation of your heifers. We need to know proper sale designation for them to be entered or removed from the sale catalog.**

**Upcoming Sale:** We anticipate that approximately 60 heifers will be sold this year. In addition to live bidding, LiveAuction.tv will also be for an online option. The heifers will be in the NW GA Livestock Pavilion as they have been in the past. They will be sold using the videos.

**Calhoun HERD Field Day:** For the second year, we will be offering a beef cattle education field day on Friday, May 3<sup>rd</sup>. This will be held at the NW GA Research and Education Center. Please pre-register at [ugabeef.com/herd](http://ugabeef.com/herd). Click on the flyer to access online registration or contact us at the office. The field day will include the calving simulator, AI protocols, grazing, stem maggot mitigation, grazing spring annuals, G.I. tract dissection, and weaned calf nutrition. One hour of continuing education for pesticide applicators is available. Lunch and materials are included with your registration.

***Thank you for supporting the Calhoun HERD Program! Come and visit when you can!***

### **Calhoun HERD Future Dates of Interest:**

- May 22 - Pregnancy Ultrasound
- May 28 @ 2:00 – heifers available for viewing at the NW GA Livestock Pavilion
- May 29 (Wednesday) - Calhoun HERD Sale @ 12:30 pm

### **UGA Beef Program Upcoming Events:**
